

Ref. PARGOSC01

SIZE:

Diameter: \varnothing 360 mm.
 Height: 750 mm.
 Capacity: 50 litres.

Argos urban tipping litter bin constructed from highly resistant and robust weathering steel sheet, with trapezium-based support legs, rounded edges and a lower plate for ground installation by means of metal screw threads. It includes weathering steel activation on the outer surface.

With this design we wanted to achieve a litter bin that keeps up with the aesthetics of other weathering steel decoration elements, which currently constitute a popular trend, resulting in a robust and aesthetic litter bin.

 Tilting emptying system.

STANDARD FINISHES:

Weathering steel..... Ref. PARGOSC01
 Oxiron grey..... Ref. PARGOSG01

OPTIONAL:

- Personalization with logo decoration.
- Stainless steel inner ring to hold garbage bags. Ref. AIP360
- In lacquered iron or stainless steel.
- Bricat finish (outer catalyzed varnish).
- M11 screw thread. Ref. T11L
- Other measures on demand.

Bag holder inner ring.
